PRESCHOOL EDUCATION

⁽¹⁾ This translation has no legal status.

3. ACQUIRED KNOWLEDGE, SKILLS AND PROFESSIONAL COMPETENCES

The holder of the certificate is qualified to:

- ensure efficient communication with children, their families, co-workers and different institutions;
- use and link contemporary theoretical and practical knowledge on pedagogical methods from other pedagogical approaches in child education;
- promote the development of movement and mental processes, social and emotional development as well as speech development;
- offer support in children's personal development;
- maintain the safe environment for the health of children, co-workers and one's own health;
- plan, record, analyse and assess work in a section, cooperate in curriculum planning and implementation by taking into consideration children's development and exercising children's rights;
- plan and prepare different types of games and toys as well as lead and monitor children when they play;
- encourage preschool children to be creative in music, fine arts, physical, dance and linguistic areas in order to develop movement, perception, cognitive, social and emotional processes by employing contemporary pedagogical methods and work forms from individual art fields.

Optional:

- cooperate in planning and performing activities promoting development of children's mathematical and logical thinking as well as expressing and getting to know basic mathematical concepts through day-to-day life situations.
- cooperate in planning and carrying out activities enhancing and supporting children's communication (pre-)writing and (pre-)reading ability and linguistic expression.
- cooperate in planning, organising and conducting of natural science and social science activities in the pre-school institution.
- encourage children's creativity in fine arts by employing contemporary pedagogical methods and forms.
- encourage children's creativity in music by employing contemporary pedagogical methods and forms.
- encourage children's creativity in movement and dance by employing contemporary pedagogical methods and forms as well as by coreographing short dance sequences for children.
- plan, organise and carry out sport activities for children.
- make provisions for light, scene, mask, costume, video and sound design of audio/video production to cater for the needs of the pre-school institution.

In addition, the holder of the certificate also upgraded his/her key professional skills and competences with key general knowledge and skills in line with national standards.

4. RANGE OF OCCUPATIONS ACCESSIBLE TO HOLDER OF THE CERTIFICATE

The holder of the certificate can find employment at sections of the first and second age bracket in the pre-school institution, cultural and sport institutions and other companies providing jobs for preschool care.

^(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
